

Hello,

My name is Kartik Addanki and I am writing on behalf of Saruei and DMCA Takedown Services.

This notice concerns a hentai artwork drawn and animated by Saruei for Fansly.com with a watermark in the bottom right. The artwork contains a character named Saruei, a young foxgirl with red eyes.

The copyrighted work was authorized to be published at <https://fansly.com/Saruei/posts>

The unauthorized and infringing copies may be found at:

<https://files.catbox.moe/j7dc4z.mp4>

<https://files.catbox.moe/zidjy7.mp4>

<https://litter.catbox.moe/77smrf.mp4>

Saruei has authorized me to write this letter on their behalf and stated that the infringing material was published without their knowledge or permission.

These distributions directly affect the market value for the originals as they are intended to be accessed only through a paywall. In addition, they are entire reproductions of the work with no transformative changes. This makes them not covered under the Fair use doctrine.

This letter is official notification under Section 512(c) of the Digital Millennium Copyright Act ("DMCA"), and I seek the removal of the aforementioned infringing material from your servers.

Please also be advised that law requires you, as a service provider, to remove or disable access to the infringing materials upon receiving this notice. Under US law a service provider, such as yourself, enjoys immunity from a copyright lawsuit provided that you act with deliberate speed to investigate and rectify ongoing copyright infringement. If service providers do not investigate and remove or disable the infringing material this immunity is lost.

I am providing this notice in good faith and with the reasonable belief that rights my client owns are being infringed, and that the use of this material is not authorized by the copyright holder, the copyright holder's agent, or applicable law.

Under penalty of perjury in a United States Court of Law, I certify that the information contained in the notification is both true and accurate, and I have the authority to act on behalf of the owner of the copyright(s) involved.

Should you wish to discuss this with me please contact me directly.

Thank you.

Kartik J Addanki  
Director of IP
